June 16, 2010

Greetings OBI Members,

We are very excited to present to you the training schedule and registration form for the OBI 2010 Conference to be held in Seattle, Washington from October 5 to 8, 2010 at the downtown Red Lion Hotel. We have put together a very good program for the members and hope you will be able to join us here in the Emerald City for excellent training and networking.

As you can see from the schedule, we are covering topics from investigator safety in the field and office settings to internet sleuthing. We will have training on the current state of law office management software and a special presentation on the imaging of a computer hard drive. We have tried to put together a program that has something for everyone.

Please take a look at the websites noted on the bottom of the schedule. You will note that transportation from the airport to downtown Seattle on our new light rail is only \$2.50 one way. The OBI Board has maintained the low price of \$200 per person for this conference in hopes of helping everyone stay within their budgets. Our room rate of \$149.00 for single and double occupancy should also help.

If you have any questions or concerns please call me at (206) 727-8254 or email me at scotto@wsba.org . See you in Seattle!

Scott G. O'Neal

President
